

HIST 2302  
ESSAY 2 Prompt and Rubric  
(100 points)

Essay 2 should be between 500 and 750 words (2-3 pages), and will make up 10% of your total grade (100 points). The essay should be typed, double-spaced, 12 pt. Times New Roman font, with one-inch margins, using proper *Chicago Manual of Style* citations, and turned in as a hard copy before the beginning of class on Thursday March 1.

For this essay, discuss how Paul Allyn's *The 47 Ronin Story* relates to the following three (3) themes: (1) Chinese culture in Japan; (2) distinctions of class in Japanese society; and (3) the nature of Japanese government in the eighteenth century. The essay should include references to both the book and the context provided in lectures, and, most importantly, it should show your interpretation of the text and its relation to the themes rather than just stating the facts. The essay should include an introduction and conclusion, and be sure to provide a thesis statement that clearly and directly responds to the essay prompt.
