

Group # _____

Name: _____

History of Sexuality in the U.S.

Workshop #1 (10 points)

Definitions: The History of Sexuality in the U.S.

Objectives: —Define specific terms and ideas common to the study of sexuality

Directions: Students will get into their groups and work together on finding the definitions to the following terms and ideas using a mobile device or dictionary (note that some of the following terms and ideas may not appear in the dictionary). After twenty minutes, the class will then discuss these definitions and compare them to the definitions provided in the first class discussion.

Terms and Ideas:

Sex:

Sexuality:

Gender:

Race:

Ethnicity:

Human Sexuality Spectrum:
